Driftwood Resort Has It
All Together
On Beautiful Houghton Lake*

Welcome to the Driftwood Resort

The resort has 200 feet of lakefront property nestled amongst mature trees and consists of five lakefront log cabins and four offshore cottages. All are modern housekeeping units completely furnished with carpeting, color TV's, refrigerators, coffee makers, natural gas furnaces, water heaters, stoves and microwave ovens.

Four of the lakefronts have wood burning fireplaces and are available year round. Seven cabins/cottages sleep up to 6 guests each, one sleeps 2-4 and the largest cottage (also available year round), has 3 bedrooms, 2 bathrooms, a wood burning fireplace and can sleep 8-10 comfortably. Eight of the cabins/cottages have screened in and/or glass porches with swings.

There are two lakefront fire pits for everyone's enjoyment.

A 14' aluminum boat, charcoal grill and picnic table is included with each unit. Outboard motor rentals, a paddle boat and canoe are also available. You may bring your own boat and moor it at one of our secure tie-downs. There is plenty of space to park your trailer on the premises. The dock and parking area is lit at night for your safety / security.

We have a large grass play area with swings, volleyball, badminton, horseshoes, tether ball, sand box, basketball, a large play set, bocce ball and shuffleboard courts.

The newest addition planned at the Driftwood Resort (Spring 2014) is **Ace's Perch Recreation Building**. When completed, it will have a ping pong table, darts, a large screen for movie viewing and plenty of space for group activities.

For winter enthusiasts, Houghton Lake has over 200 miles of groomed and marked snowmobile trails. Make a day of it and snowmobile from Houghton Lake to Traverse City!

Houghton Lake is the home of the largest winter festival in Michigan - Tip-Up Town, USA.

For hunters: Partridge, deer, turkey, duck, bear and rabbit.

For fishermen: The lake has perch, walleye, bass, northern pike, lake trout and pan fish. We provide a large hut for cleaning your daily catch.
